

DES MOINES, IOWA 2023

# LEADERSHIP CONFERENCE

SEPTEMBER 8-9

## KEYNOTE SPEAKERS

### FRIDAY NIGHT MR. JAMES PATRICK

#### *Nitrogen 2000*

James Patrick is an economist, investigator, and film director originally from Washington, D.C. He has authored several books and directed *Planet Lockdown*, an international documentary on the Covid saga shot in nine countries. He now focuses on the Dutch farmers' struggle against their own government that is seeking to forcibly buy out half their land (a third of the Netherlands' total territory). Patrick's expertise is shedding light on the big picture of where we are today in a chaotic world gone mad. His work equips people with information to help the world stay free. You can find his latest work at [BigPicture.watch](http://BigPicture.watch).

### SATURDAY NIGHT DR. RYAN COLE

#### *The Death of Science — Medical Freedom in an Era of Lies*

Dr. Ryan Cole is the founder, CEO, and medical director of Cole Diagnostics, which now helps answer pressing questions related to the long-term effects of Covid and vaccination. He has helped perform and diagnose over 150,000 Covid tests during the pandemic and has diagnosed 500,000 patients in his career. Dr. Cole has spoken before the U.S. Senate and multiple state legislatures, and at numerous international conferences, sharing the science and truth about Covid treatments, vaccination, and medical freedom. When not focused on science, he enjoys working with his family on his 21-acre organic farm.
