We have witnessed throughout history the lack of concern for the people who start wars. Or, those who get their citizens involved in a war. We have seen and documented the fact that in the past, Americans have helped our enemies before and during the conflict. This was true of the help to Hitler, communist Russia, Vietnam, now communist China, and so forth. So we have to ask the question, is this conflict regarding the Ukraine real or contrived? And, what will be the outcome in the long run?
