Collectivist ideas like communism do not originate from one particular ethnicity or religion. These ideas have been embraced all over the world by those seeking to concentrate power within their grasp. The spell of this tribal orientation was broken by the U.S. system of government and values, but we have not fully broken with it. In this clip from *Freedom Is the Cure's* "The Jewish Tangent," Dennis Behreandt and Steve Bonta of *The New American* magazine dispel the notion that Jews created totalitarianism.
