Sure, the Constitution is great and all. But there is another document which is just as important and under which the American revolution was waged, and that is the Declaration of Independence.

The Declaration of Independence lists a number of grievances which the Crown of England was imposing on Americans.

Here's one example:

"He has erected a Multitude of New Offices, and set hither Swarms of Officers to harass our people, and eat out their substance."

Keep this in mind in relationship to the 87,000 new IRS agents, armed and ready to eat out your substance as a result of the so-called Inflation Reduction Act. What will this mean for Americans? Find out on this week's Activate.
