Podcast: Play in new window | [Download](#)

In this episode, Paul talks to Annalisa Pesek, a reporter with *The New American* magazine who attended Mike Lindell's Cyber Symposium in South Dakota. Pesek discusses her interviews with cybersecurity experts and what became of the absolute proof that many were waiting for. Make sure to tune in to the end, as Paul wraps it up with some extra information about the 2020 election and discusses what concerned Americans can do to restore election integrity.
