

Trevor Loudon

Trevor Loudon is an author, filmmaker and public speaker from Christchurch, New Zealand. For more than 30 years, he has researched radical-left, Marxist, and terrorist movements and their covert influence on mainstream politics.

Trevor Loudon's thesis is that what is commonly regarded as the mainstream political policy is in fact driven and guided by hidden subversive elements. The Democratic party's consistent defunding of the US military, Obamacare, the Iran Nuclear Deal, normalization of relations with Cuba, Islamic refugee re-settlement, \$15 minimum wage, fracking bans, pipeline shutdowns and the push for illegal alien amnesty are all consistent with far-left and Islamist agendas.

Trevor Loudon believes that these forces must be exposed and countered, as America's continued role as a bastion of freedom is pivotal for the future of western civilization. You can learn more at www.trevorloudon.com.
