

# The John Birch Society

Author: [CSpoehr](#)

Date: April 1, 2016

Over the last decade, states have leapt forward in restoring the Second Amendment. Not content to let a crisis go to waste, big government politicians now openly discuss gun registration, banning and confiscation. Drawing on his front line experience, Mr. Pratt offers the plan to defend and preserve this critical portion of liberty.  
Speech given May 4, 2013
