JBS CEO Art Thompson's weekly news video update for February 17 - 23, 2014.

In this week's analysis behind the news video, JBS CEO Art Thompson discusses how new developments in the news will negatively affect our nation's involvement in the two new partnerships (Trans-Pacific Partnership & Transatlantic Trade and Investment Partnership) that are being negotiated by the Obama administration; how for example Belgium has a new law authorizing euthanasia on children; how for example the EU is going to ratify the UN Arms Trade Treaty so that merging our nation with the EU a la the TTIP will have a negative effect on our right to bear arms; and how his new book, *International Merger by Foreign Entanglements*, explains what's going on with these new free trade agreements.
