

The John Birch Society

Author: [CSpoehr](#)

Date: April 5, 2016

The reason for joining the UN was to avoid costly wars, but war has now become commonplace. John McManus presents little-known facts about the UN's creation and up-to-date reasons why America must withdraw from what Senator Robert Taft labeled "a trap" as far back as 1947. Speech given June 25, 2011
