Author: [CSpoehr](#)

Date: May 7, 2008

Larry Pratt, Executive Director at Gun Owners of America (GOA) explains the purpose and scope of the organization and how “gun control needs to be taken off the books” as it is unconstitutional to make someone prove their innocence before exercising a constitutional right. He also touches on collective right versus individual.

Mr. Pratt was interviewed by John McManus, publisher of The New American magazine and president of The John Birch Society.
