

The John Birch Society

Author: [CSpoehr](#)

Date: May 26, 2016

Is America following the path that the Communist Manifesto planned out when it comes to Socialism? If you haven't read the Communist Manifesto watch JBS CEO Art Thompson discuss how that book explained a way to achieve a democracy instead of what our country is, a republic. Using democracy to create a ruling class instead of a majority, the manifesto outlines ten measures for accomplishing the overthrow of the existing government.
