

Combat Voting Fraud | Activate America

In this past election, Republican establishment pointed the finger of failure to everything conservative and especially Trump. They don't want Conservatives and Constitutionalsists in office.

Top Republican Leadership doesn't want to expose voting fraud because it would put those Conservatives and Constitutionalsists in office.

Action Items:

1. Like and share this video with others.
2. Watch Kurt Hyde's video "[Preventing Stuffing the Ballot Box](#)".
3. Check out our Action Project "[Restore Election Integrity](#)".
