

Conservative False Solutions | Activate America

Policing, healthcare, trade, basic government fundamentals. These are issues that are vital to keeping America a free and independent nation. Unfortunately, there are many who are pushing false solutions to these issues.

Arthur R. Thompson will explore two issues and the false solutions that could make things worse, rather than better.

Action Items:

1. Like and share this video with others.
2. [Support Your Local Police and Keep Them Independent.](#)
3. Watch "[The Constitution Is the Solution](#)".
