

Destroying Gun Rights? | Activate America

With mass shootings becoming more rampant, the government is looking to take away our guns. That's exactly what the British intended to do at the start of the Revolutionary War. History has proven, the government is always looking to unarm the population to "make things safer".

But if you look at all of the George Floyd riots and others, people should be able to defend themselves and their property. Join Arthur R. Thompson and learn more about your rights and defending yourself.
