

Fear Creates Division | Activate America

COVID created fear and mandates. Mandates created control over us and divisiveness among us. Now people are using that same fear, control and divisiveness to drive their own goals. They are pushing their plan, "The Great Reset", promoted by the World Economic Forum.

Join Arthur R. Thompson and find out who is driving this effort for the New World Order.

Action Items:

1. Like and share this video with others.
2. Buy Arthur R. Thompson's book, "[CHINA: The Deep State's Trojan Horse in America](#)".
3. [Apply for JBS membership](#) and get involved.
