

The John Birch Society

Author: [CSpoehr](#)

Date: April 9, 2020

With the continued crackdown of state and local governments over the Wuhan coronavirus, you may have missed a few shining stars that have emerged amidst this storm. We'll look at a few of them and explain how you can effectively fight back in this episode of Activate America—staying active during the COVID-19 lockdown.

Action Items

Share these examples with your elected officials and ask them to act accordingly.
