

The New World Order's Merger Platform

For decades, globalists have been utilizing "Free Trade" as a means to build regionalism on the road to a one world government. Free Trade is definitely not free. Find out how these trade agreements are part of the downward economic spiral and loss of national sovereignty.

Take Action:

- 1.) Help [Stop the Globalists' Trade Agenda](#).
- 2.) Contact your Legislators to [Get Us Out of the USMCA](#).
- 3.) Find out what [America Signed onto](#).
