

Who's Conspiring Against America?

The depths of the Deep State hold no bounds. Conspiracies surround us, and the founders warned of this issue ever since our country's inception. Marxists are gaining effective control in many areas, including the media, by way of manipulation and censorship. They're coming for your freedoms and it's up to you to learn about these conspiracies, and help expose them. Learn more about what's really going on behind the scenes, on this episode of Activate America!

Action Items:

- 1.) Learn more about conspiracies by reading Art's book, "[In the Shadows of the Deep State](#)"
- 2.) For further reading, check out another great book by Art, "[To the Victor go the Myths & Monuments](#)"
