

2020 certainly is a year for extremes. First we see government go tyrannical with COVID-19, with the police used as a hammer to enforce government edicts, and now we see violent leftist groups taking over entire sections of city blocks, kicking police out, and advocating for anarchy. And the rest of America is caught somewhere in between. Meanwhile, many elected officials are capitulating to these hard leftists' demands, including those in Congress.

We'll look at what lasting impact this will have on America and what you can do about it in this episode of Activate America.
