

The John Birch Society

Author: [CSpoehr](#)

Date: September 3, 2020

How do you get rid of bad politicians? Many think term limits would do the job, but there's more to the story. At the beginning of our country we had term limits but they were eliminated. Find out why term limits were eliminated and why they don't work the way you would expect in this episode of Activate America with Arthur R. Thompson.

Take Action

1. [Educate yourself! Shop for books, DVDS and other materials at JBS](#)
