

The John Birch Society

Author: [CSpoehr](#)

Date: August 7, 2020

What a time to be alive! While no one relishes the state of the country that tyranny has recently established, it does offer us an opportunity to reflect on the experiment of freedom that was born in the years prior to 1776 and how we should use this as an opportunity to engage with others and restore the Republic.

We'll tackle this in this episode of Activate America, getting active to throw off government tyranny.

Action Items

1. [Read and distribute Republics & Democracies](#)
2. [Watch and share Overview of America](#)
3. [Apply for membership in The John Birch Society today](#)
