Now a hot spot for violence created by Black Lives Matter and their communist cadre, Kenosha, Wisconsin erupted into flames and gunfire in an attempt to bring justice to what looks to be another police-shooting victim that fought with police, ignored commands, and had at least one active warrant.

Now, people have died due to the outpouring of violent protests that have burned down, looted, and otherwise robbed innocent people of their property and way of life.

We'll look at the overall agenda of these riots and what you can do about it in this episode of Activate America, getting active to throw off government tyranny.
