

Facebook's Silencing Agenda

Facebook has been facing pressure over its censorship, so it created an oversight board to review content. What is the oversight board basing their decisions on? Perhaps they are based on the Bill of Rights and free speech? You may be surprised to learn how the United Nations and the Council on Foreign Relations fits into the picture. Arthur R. Thompson dives in to find out and what it could mean to you going forward.

- 1) Look for the Time Magazine article titled "the Secret History of the Shadow Campaign That Saved the 2020 Election".
- 2) Learn more about the United Nations in this easy to read book, "[The United Nations: Unity Through Tyranny](#)"
- 3) To Learn more about Big Tech and Big Media, get the book " [In the Shadows of the Deep State](#)"
