

Privacy rights threatened as Dr. Anthony Fauci, Bill Gates, and Big Tech giants Apple Inc. and Google push for forcing Americans to carry “certificates of immunity” and tracking Americans with a smartphone app for the purpose of “warning” people if and when they’ve come into proximity of person who’s reportedly tested positive.

Take Action:

1. [Contact your U.S. representative, senators, and the president to stop and oppose a national health ID, smartphone tracking, and forced vaccinations](#)
