Podcast: Play in new window | [Download](#)

Years ago, people went to school to learn the “Three R’s”, Reading, Writing and Arithmetic. Today, major cities are reporting that reading scores are dropping. This is a major problem as we need educated Americans to support our country and become leaders.

Take Action:

- 1.) Like and Share this video with others.
- 2.) [Apply for Membership](#) with The John Birch Society and get involved.
- 3.) Learn more about our school, [Freedom Project Academy](#).
- 4.) Find books to read at [ShopJBS.org](#).
