Podcast: Play in new window | [Download](#)

Globalists have been planning an attack for years. Back in 2010, the Rockefeller Foundation issued a report illustrating a scenario where a dangerous flu epidemic struck. It detailed government lockdowns, how businesses and supply chains would be affected and more.

Join Arthur R. Thompson as he discusses the “The Great Reset” and the UN’s Agenda 2030 plan to impose controls on every aspect of life.

Get the book, “[The UN’s Agenda 2030: Marxist Stealth Plan for World Government](#)”. Available beginning in July, 2021 at Shop JBS.

Learn more about the Chinese Communist plan to subvert America in Arthur R. Thompson’s book “[China: The Deep State’s Trojan Horse in America](#)”.
