News reports indicate that all 50 states are in a transition period of releasing their COVID-19 Wuhan virus lockdowns. WalletHub recently updated their online study of states with the fewest restrictions. One of the biggest changes was that Wisconsin moved up 32 positions from being ranked #34 to now #2, just behind South Dakota.

We'll give you a close up and personal look at how Wisconsin did this in this episode of Activate America, patriotically staying active during COVID-19 lockdown.
