

"Don't be afraid of Covid. Don't let it dominate your life", tweeted President Trump. The international Communist Conspiracy is looking for ways to instill fear and control us. Find out how trade agreements such as the FTAA, SPP, NAFTA, SPP and the USMCA along with the pandemic fit into their agenda. If you think the forced edicts of lock downs, mask wearing and the shut downs are bad, wait until you hear what the World Economic Forum has planned to control us. Find out with Arthur R. Thompson as he shows us how to resist these attempts and keep our liberty. Don't be afraid!
