A famous quote goes, “The most effective way to destroy people is to deny and obliterate their own understanding of their history”. When you eliminate certain facts, you can change a person’s outlook.

Today Art will discuss two examples that not only changed history, but also societies overall perception.

Take Action:

- 1.) Like and Share this video with others.
- 2.) Get a copy of the book “[To the Victors Go the Myths and Monuments](#)”.
- 3.) [Apply for Membership with The John Birch Society](#) and get involved.
