Do you recall that President Trump gave notice that he was pulling the U.S. out of the Paris Climate Accord? Well, if Congress has its way, a new climate change bill will have the same effect on us as the Accord. And this time, it's bi-partisan! We'll expose this and tell you how you can help stop it in this episode of Activate America, getting active to throw off government tyranny.

Action Items

1. [Contact your Senators to tell them to vote no on S. 2657, the American Energy Innovation Act](#)
2. [Assemble a visitation schedule where local JBS members agree to visit your senators' offices in increasing numbers over a period of several weeks, resulting in increased pressure on your senators from several voters to vote no on the bill. Contact your Coordinator, if you need help](#)
3. [Apply for membership in The John Birch Society today](#)
