

The John Birch Society

Author: [CSpoehr](#)

Date: April 2, 2020

Did you catch last week when former British Prime Minister Gordon Brown called for a “temporary global government” to fight the current crisis? Unfortunately, we’d love to tell you that no one is thinking this is realistic, but after how jacked up governments are around the world right now, we’ll tell you that this is the next step in this episode of Activate America.

Action Items

- Participate and host in online “Constitution Is The Solution” workshops:
