

Neutralize the Opposition | Fake Collapse of Communism

Christian Gomez interviews "Jimmy from Brooklyn," an anticommunist researcher and activist who has infiltrated the Communist Party USA and is also a well-known caller on conservative talk radio, especially in the New York City area. Jimmy discusses ex-KGB defector Anatoliy Golitsyn and the history of false collapses, staged by the Soviet Union and leadership, to neutralize anticommunists and remove the image of Russia, communism, and socialism as an enemy.
