

Special Report | Communism in Russia Building New World Order

Christian Gomez examines the role of Russia's Communist Party and how Russian President Vladimir Putin is following their playbook with regard to Ukraine in order to rebuild the Soviet Union, via a new "Eurasian Economic Union."

Share this episode of "Anarchy & America" to help expose the communist and globalist's long-range plans to establish a socialist one world government.

Purchase a paperback copy of *New Lies for Old* by Soviet defector Anatoliy Golitsyn at ShopJBS: <https://shopjbs.org/product/new-lies-for-old/>
