Oklahoma State Representative

This is a 12-minute video: "Beware of Con-Cons: State Legislators Warn Against a Constitutional Convention." In this video Oklahoma State Representatives Charles Key and Dr. Mike Ritze, and State Senator Randy Brogdon warn their fellow state legislators in all 50 states against passing resolutions calling for an Article V amendments convention, commonly referred to as a constitutional convention (Con-Con). They also strongly recommend that state legislators in the 34 states that have not rescinded all previous Con-Con calls, work to pass a Con-Con rescission resolution this year. Here is the list of the 16 states that have rescinded their existing Con-Con calls: Ala., Ariz., Ga., Idaho, La., Mont., N.D., N.H., Okla., Ore., S.C., S.D., Tenn., Va., Utah, and Wy.
