The risks of holding a constitutional convention are immense! Do you trust any of today's politicians to have a hand in rewriting the Constitution? Mr. Bradley discusses the latest ploys from conservative "allies" to bring on an Article V convention by exercising the nuclear option in Article V. (This video was recorded at the national Council Dinner of The John Birch Society, held in Jacksonville, Florida, May 3, 2014.)

Scott Bradley is Founder and Chairman, The Constitution Commemoration Foundation, Inc.
