

## **William Hahn - Leadership 101: How Experienced Patriots Prevent America's Ruin**

With the world in such a dismal shape, the need for The John Birch Society has never been greater. The structure set up by JBS Founder Robert Welch is sound, and thrives on local leadership. Your leadership is key in preventing America's ruin. Mr. Hahn will discuss the principles of the "tireless, irate minority" that makes history, as well as the parallels to today's and tomorrow's Birchers.
