

## **Rebecca Terrell Presentation. Biden's New World Order & Other "Conspiracies" - Part 2**

Rebecca Terrell's presentation from the 2022 JBS Leadership Conference.

Given the many public mentions, the year 2022 may go down as the year of the New World Order. Globalists aren't hiding their plans with President Biden and Russian and Chinese leaders calling to build a New World Order and The New American covered it all. Mr. Behreandt and Ms. Terrell offer insight from the magazine's newest book-a-zine on conspiracy, documenting the further credibility of The John Birch Society.
