

The Death of Science: Medical Freedom in an Era of Lies

Dr. Ryan Cole

CEO & Medical Director
Cole Diagnostics

September 2023

The Death of Science — Medical Freedom in an Era of Lies

In this presentation at The John Birch Society's 2023 Leadership Conference, Dr. Ryan Cole, the founder, CEO, and medical director of Cole Diagnostics, exposes the truth about multiple aspects of Covid-19 and the Covid vaccine. He also highlights the risks of, and harm caused by, the Covid vaccine, and instead calls for medical freedom and transparency.
