

Climate Paganism

THE "CLIMATE CULT" IS
SEEKING TO REDEFINE MORALITY

Alex Newman
September 2023

Using Climate Change to Create Fear and Control

In this presentation at The John Birch Society's 2023 Leadership Conference, TNA senior editor Alex Newman discusses how the globalist elites are using alleged "climate change" to impose international socialism and redefine morality. Newman explains how those in the Deep State are using climate change to create fear and control, and he offers solutions.
