

The John Birch Society

Author: [CSpoehr](#)

Date: October 9, 2024

John F. McManus (1935-2024) was a mainstay at The John Birch Society, serving as its chief spokesman and president. He worked tirelessly to expose the powerful elites who seek to undermine American sovereignty and establish one-world government, and was renowned for effectively communicating constitutional principles to audiences across the country. This tribute video summarizes McManus' life and impact.
