

Joe Wolverton explains the history of the battle to prevent an Article V convention, why it is a bad idea, how close we have come to a convention, and where the battle stands today. He introduces some of the latest tools you can use to protect the U.S. Constitution and Bill of Rights.

Joe plays a crucial role in shaping the JBS's educational and advocacy efforts. He became well-known for his writings, seminars, and lectures, where he skillfully dissected complex legal issues and illuminated the foundational principles of American governance. His work focuses on the principles of republicanism, federalism, and the immutable right of the people to choose their government, reflecting his deep expertise in these areas. Joe is also the author of *What Degree of Madness? Madison's Method to Make America STATES Again* and *The Founders Recipe*.
