

Western Islands Publishing: The Vanguard of Americanist Publishing

Joe Wolverton II, J.D., president of Western Islands Publishing, shares new and exciting updates of what is happening at Western Islands and what is coming in the weeks, months, and years ahead. Wolverton discusses the new era for Western Islands and the Americanist movement, becoming an independent publishing force for truth-telling and Constitution-defending authors, forging author partnerships, and moving forward to become the flagship Americanist book publisher in 2026. In addition to publishing new titles, Western Islands is also reprinting Western Islands classics that have been out-of-print for years or decades, including *Background to Betrayal: The Tragedy of Vietnam* by Hilaire du Berrier, *None Dare Call It Treason* by John A. Stormer, *Fabian Freeway: High Road to Socialism in the U.S.A.* by Rose L. Martin, and *The SIECUS Circle: A Humanist Revolution* by Claire Chambers.
