

JBS: Boldly Defending Freedom

Founded in 1958, The John Birch Society continues to boldly defend freedom, leading the fight to protect the U.S. Constitution and America's founding principles. As multiple leaders in the freedom movement — including Ron Paul, Larry McDonald, Alex Jones, Steve Bannon, Michael Flynn, and Catherine Austin Fitts — have testified, the JBS has repeatedly been proven correct. It remains the most effective vehicle for protecting our Republic and God-given rights.
