JBS CEO Art Thompson's weekly news video update for June 6 – 12, 2016.

In this week's Analysis Behind the News video, JBS CEO Art Thompson discusses the opening ceremony for the new Gotthard Base Tunnel (connecting France, Germany, Italy, and Switzerland). Art explains how this overtly Satanic ceremony with its occultist symbolism and imagery underscores the true nature of the European Union and why it is not a surprise that many Britons favor the Brexit to escape the EU. Be sure to watch and share this video with your friends.
