

Marxism is Poisoning America's Evangelical Churches

In this episode, filmmaker and researcher Trevor Loudon discusses the Marxist infiltration of the American evangelical Church and how that threatens liberty. Loudon's latest documentary, *Enemies within the Church*, exposes very influential evangelical figures who teach poisonous woke ideologies. Loudon also reveals ties between woke church doctrine and communist organizations. Loudon concludes by talking about how Christians can beat back the attack on the Church and the encouraging signs he's seeing throughout America.
