The globalists would love nothing more than total control of money, and thereby total control of you. In this clip, Executive Senior Editor of *The New American* Steve Bonta explains the internationalists' vision for money. This clip is taken from the *Freedom Is the Cure* episode "How Inflation Steals From the Middle Class While Enriching the Elites." Read Bonta's story "Destroying the Money" when you get a copy of *The Great Reset & Transhumanism* collector's issue from *The New American* magazine.
