

# Exposing the Swamp

**Congressman, Thomas Massie**

*(R) Kentucky*

JBS.org

Rep. Thomas Massie entered Congress in November 2012 to represent Kentucky's 4th Congressional District. He attended MIT where he earned a B.A. in Electrical Engineering and a Master's Degree in Mechanical Engineering. He serves on the House Committee on Transportation & Infrastructure, the Committee on Oversight and Government Reform, and the Committee on Science, Space, and Technology. Massie lives on a cattle farm in Kentucky with his wife, Rhonda, and their four children.
