

Out with the bad, in the with the worse. On July 1, 2020, the United States-Mexico-Canada Agreement (USMCA) officially went into effect, replacing the old North American Free Trade Agreement (NAFTA). In this episode of Straight Talk, Christian Gomez reexamines what's in the USMCA why both Congress and the President should Get US Out! of the USMCA and keep America independent.

Take Action

1. [Watch and share USMCA: What America Signed Onto:](#)
2. [Ask the President and Congress to Get US Out! of the USMCA](#)
