Globalists have pushed for world government under the guise of free trade for decades. NAFTA was a huge accomplishment for them, and Brexit was a major blow. In renegotiating NAFTA, will Trump recognize this global strategy and work to avoid building unaccountable government? Or will the globalists influence him to keep much of the agreement intact?

Follow along as we dive into the history of NAFTA and the aims of the New World Order-building globalists. Be sure to share this episode of Analysis Behind the News with all your friends and family. Get involved in the JBS today!
