In honor of National Police Week, take the time to thank an officer in your community!

Not only do policemen put their lives on the line, but they are also coming under more and more scrutiny thanks to the Black Lives Matter movement and those that fund them.

Take action today by starting a Support Your Local Police committee in your area to raise awareness of what is happening to our police.

Celebrate National Police Week by going to our SYLP action project page on JBS.org.

Share this with all your friends and family and get them involved in the JBS today!
